--	---	--

1. Program Overview & Legal Anchors

The Amazing Weaves Distinction Awards (AWDA) 2026 — GalingLikha— is a national recognition program honoring Local Government Units and their partner weaving communities for outstanding practice in preserving, developing, and bringing indigenous and local Philippine weaving traditions to market: equitably, sustainably, and with full cultural integrity.

The program is authorized under the DILG-PCW-DTI Joint Memorandum Circular on GalingLikha / AWDA 2026, endorsed is under the flagship initiative of the Philippines' 2026 ASEAN Chairship, conducted in partnership with Galing Pook.

2. Award Categories

Category	Who it recognizes	Primary evidence focus
LGU Champion	A Local Government Unit that has built a funded, sustainable ecosystem around its weaving tradition — policy, institution, market, and community all working together	Ordinance/EO, GAD budget, institutional body, community impact
Master Weaver	An individual artisan recognized as a living master of the tradition — nominated by an LGU	Technical excellence, motif mastery, tradition transmission, apprenticeship record
Women's Enterprise	A women-led weaving cooperative or enterprise demonstrating collective economic empowerment and strong market presence	Women's leadership %, value retention, sales growth, cooperative governance
Young Weaver	An artisan 35 years old or younger with exceptional skill, cultural authenticity, and commitment to the tradition	Craft quality, tradition fidelity, intergenerational story, future-orientation

3. Eligibility

3.1 Who may enter

- Any Philippine LGU (Province, City, or Municipality) as the nominating entity.
- The LGU must partner with an identifiable weaving community within its jurisdiction.
- The nominated weave must be produced by living artisans of that community.

- ONE ENTRY PER LGU. Multiple submissions result in all entries being disqualified.

3.2 Four eligibility gates (Pass/Fail — not scored)

Gate failure removes an entry entirely. There is no cure period and no appeals pathway.

#	Gate	What is checked	If failed
1	Child Labour	Signed declaration from LCE and Community Leader confirming no child labour (persons under 18) is involved in any step of production — fiber sourcing, dyeing, weaving, or finishing.	Entry ruled INELIGIBLE . Removed from competition entirely — not a deduction.
2	Sacred / Restricted Motif — Commercial Use Prohibition	An entry that incorporates a sacred or restricted motif that the IP community has NOT authorized for commercial use is automatically ineligible. No consent document, elder certificate, or supplementary attachment can override this. Only non-restricted motifs, or motifs formally released for commercial use by the community's traditional governance structure, may appear in an AWDA entry.	AUTOMATIC INELIGIBILITY . No cure, no substitute document, and no appeals pathway. This rule is consistent with NCIP guidelines and IPRA (RA 8371).
3	FPIC for IP Knowledge	Where the entry involves indigenous cultural knowledge, a signed Community Consent Form (Annex D-1) co-signed by LCE and Community Leader must be attached. NCIP co-validates all IP community entries.	Entry ruled INELIGIBLE .
4	Attribution Before Innovation	Any innovation element must credit the source community as origin of the cultural knowledge. Innovation sub-criterion a is capped at max 2/5 if attribution is absent.	Innovation sub-criterion a capped at 2/5. Other scores unaffected.

4. Selection Process

Level	Who	What happens	Output
Level 1 Secretariat Desk	Island Secretariats (WomenBizPh / Galing Pook per island)	Eligibility screening: one-entry rule, four gates, documentary completeness. Anonymized IWSC judging packets prepared.	Qualified list. Disqualified list with reasons.
Level 2 IWSC Round 1	Island Weaving Screening Committee (IWSC)	Score all qualified entries using Doc E two-track rubric. Select Top 5 per island.	Score sheets. Top 5 notified. Non-selected LGUs receive written feedback.
Level 2B IWSC Round 2	IWSC + audience	Island event: each Top 5 presents 10 min + 10-min Q&A. Swatch displayed.	Island Top 2 (PhP 75,000 each). Bottom 3 (PhP 30,000 each). Top 2

(Live)			advance to National Finals.
Level 3 NSC National	National Selection Committee, chaired by Galing Pook	Evaluate 6 national finalists. Results sealed until Nov 7 awarding.	3 National Winners (PhP 150,000 each). GalingLikha Grand Award at 2nd AWES, Okada Manila.

5. Schedule of Events

Date	Venue	Event
June 20, 2026	Online / JotForm	Application portal opens. bit.ly/awdasignup. DTI Regional Office swatch hubs activated.
July 31, 2026	Online / DTI ROG hubs	Submission deadline. Online application AND physical swatch must be received.
August 10–12, 2026	North EDSA Atrium, Quezon City	Luzon Women Strong Network Marketplace + AWDA Luzon Showcase
August 13–16, 2026	SM Cebu, Cebu City	Visayas Women Strong Network Marketplace + IWSC Round 2 + Visayas Awarding
August 21–22, 2026	SM Zamboanga Mall, Zamboanga City	Mindanao Women Strong Network Marketplace + IWSC Round 2 + Mindanao Awarding
October 15, 2026	World Trade Center, Manila	Luzon IWSC Round 2 + National Showcase at Likhang Pilipino / Manila FAME
November 10, 2026	Okada Manila	2nd ASEAN Women Economic Summit (AWES) + GalingLikhaFabric showcase, Parade of Colors.
November 10-12, 2026	Okada Manila	ASEAN Amazing Weaves & Waves Trade Show. 200+ exhibitors. 11 ASEAN country pavilions plus RCP alliance partners. B2B matchmaking.

6. Prize Structure

Award	Prize (PhP)	Who receives
Island Finalist (Bottom 3 of Top 5 per island × 3 islands = 9 awardees)	30,000 each	Finalist LGU — shared with community partner per benefit-sharing arrangement (Annex D-3). Minimum 40% to weaving community.
Island Winner (Top 2 per island × 3 islands = 6 awardees)	75,000 each	Finalist LGU + advance to National Finals
National Winner (1 per	150,000 each	National winner LGU + community

island group × 3 winners)		partner + representation at ASEAN Trade Show
---------------------------	--	--

Prize disbursement is subject to BIR compliance. The benefit-sharing arrangement in Annex D-3 governs distribution between the LGU and the weaving community. The weaving community must receive a minimum of 40% of the total prize.

7. Physical Swatch Standard

- Size: exactly 12 inches × 12 inches (30.5 cm × 30.5 cm) or depending on the loom size
- Cut from a piece produced by the nominated community using the traditional process.
- Entry tag must be firmly attached (not sewn): LGU name, entry code, weave name (local language), fiber composition, weaving technique, artisan/cooperative name, date of production.
- Submit via reputable courier to the nearest DTI Regional Office (island hub). Keep the courier reference number — enter it in the JotForm application.
- The DTI Regional Office logs receipt, photographs the swatch with the tag, and stores it until transfer to the Island Secretariat.

Do not fold or staple the swatch. Roll and pack flat in a tube or rigid envelope. Damaged swatches that cannot be assessed by judges will result in zero score for all Track B sub-criteria.

Quick Glossary

Term	Plain-language meaning
Craft and Documentation Excellence	Track B Criterion 1. Assesses observable technical quality of the weave and the quality of documentation submitted. Does not make cultural authenticity claims.
Documentation quality (sub-criterion d)	Scores how thoroughly the community has documented its craft: photographs, narratives, apprentice records. Independent of cultural claims.
Crimp	The extra length a thread has from weaving over and under other threads. DOST-PTRI uses a 5% correction for fiber verification.
FPIC	Free, Prior, and Informed Consent — the right of indigenous communities to consent before any activity involving their cultural knowledge. Required by IPRA (RA 8371). See Gate 3.
GAD Budget	Gender and Development budget — LGUs must allocate 5% or more to gender equality programs. Weaving programs benefitting women qualify.
Geographic origin	The specific community or region where a weaving tradition originated. A factual declaration — not a cultural claim scored by judges.
IPMR	Indigenous Peoples Mandatory Representative. An active IPMR record is one of the Track A verification points (sub-criterion c).
KII	Key Informant Interview — a structured interview with a community expert or master weaver. Evidence for succession depth (Track A, Community Impact sub-criterion b).
LCI / PRECUP	Local Cultural Inventory / Pre-Colonial Usage and Practice registry — NCCA databases of documented Filipino cultural traditions.
Sacred / restricted motif	A motif held by an IP community as sacred, spiritually significant, or restricted from general commercial use. Entries incorporating such motifs that have NOT been formally released for commercial use by the IP community are automatically

Term	Plain-language meaning
	ineligible (Gate 2). No consent document can override this.
Selvedge	The finished left and right border edges of a woven fabric. A key indicator of craft quality (sub-criterion a).
Supplementary weft	Extra thread woven on top of basic structure to create raised patterns. Signals high pattern complexity (sub-criterion b).
Value retention	The share of the final retail price that stays with weavers. Target: 60% or more for Track A Community Impact sub-criterion a Score 5.
Win-Win-Win	The AWDA coherence test: the craft is alive AND the community benefits AND the practice is ecologically and economically durable.
